

## JANIE BEACH, SILVER-RAMA

I am a seventeen year old High School Junior. During most of my spare time I work for Silver-rama in the Subscription department, but I do manage to be on a High School Bowling League throughout the year. I was recently initiated into the National Honor Society.

One of my hobbies is collecting Cookbooks, and I belong to a Cookbook Club.

When I graduate from High School, I plan on majoring in Home Economics at Oregon State University. Upon graduation from OSU I would like to be an Extension Agent either at the county or state level.

Most of my silver pieces have been given to me and I have some from my mother's family. I prefer plain patterns. Since some of my inherited silver was Gorham's "Lancaster Rose," and a plated sugar and creamer has matching beading, I have become interested in this pattern. Some of my pieces appear below.

Creamer and Sugar, Quadruple Plate, Victor Silver Company, Sterling sugar tongs,  $3\frac{1}{4}$ " long and Gorham  $5\frac{5}{8}$ 's inch sterling serving fork in Lancaster Rose pattern.
